

## Bridge Engineering Distinguished Speaker Series

PRESENTED BY THE DEPARTMENT OF CIVIL, STRUCTURAL AND ENVIRONMENTAL ENGINEERING AND MCEER

# Managing Change, Challenges and Other Things

**Malcolm T. Kerley, P.E.**  
**Chief Engineer**  
**Virginia Department of Transportation**

Mr. Kerley will share his ideas about what it takes to make an agency excel in the current environment. He'll use specific examples of VDOT's forward thinking in the areas of innovative financing, design-bid-build, design build, build-operate-transfer; Public-Private Partnerships.

### Biographical Sketch:

July 2004, Malcolm T. Kerley was named Chief Engineer of Virginia's Department of Transportation, accountable for the quality, cost and timeliness of all engineering plans associated with the design of, and right-of-way acquisition for, VDOT transportation projects. He had served as Administrator of VDOT's Structure & Bridge Division from 1992 to 2002, responsible for planning, design, construction, maintenance and inspection of more than 20,000 bridges and overpasses. He began his career with VDOT in 1971. He has a civil engineering degree from the Virginia Military Institute (BSCE, 1971); a Master's Degree from the University of Virginia (MECE, 1973); and is Registered Professional Engineer in Virginia since 1976.

Mr. Kerley is the Chairman of the AASHTO Subcommittee on Bridges and Structures; a member of the AASHTO Standing Committee on Highways.

**Date / Time:** Monday, April 19, 2010, 5:00 – 6:30 pm, Eastern time

**Location:** Baldy Hall, 2<sup>nd</sup> Floor, Room 200G

**To register to attend in person:** (716) 645-3307

**Professional development credit available:** 1.5 PDH (\$75)

**To register for free live webinar:** [http://mceer.buffalo.edu/education/Bridge\\_Speaker\\_Series/register.asp](http://mceer.buffalo.edu/education/Bridge_Speaker_Series/register.asp)
